Cobb County….

NWC Express Lanes Work Requires Night Time Detour to I-75 Southbound Entrance Ramp from Canton Road

WHAT: Weather permitting, a night time detour will reroute Canton Road traffic accessing the entrance ramps to I-75 Southbound in order to set bridge beams.

WHEN: Beginning Tuesday, December 8th and again on Thursday, December 10th during the off-peak hours of 9:00PM to 5:00AM.

WHERE: I-75 Southbound Entrance Ramp Closure—entrance ramp at Canton Road Connector—Canton Road Connector traffic traveling I-75 Southbound will be directed to take the I-75 Northbound ramp to travel northbound to Barrett Parkway (Exit 269). Traffic will then be directed to turn left on Barrett Parkway followed by another left to then enter I-75 Southbound via the ramp from Barrett Parkway.

ADVISORY: Detours are likely to result in delays. Motorists are advised to exercise caution while driving in these areas. On-site message boards indicating dates, times and detour routes will be present in advance of these closures.

Please be advised that construction activities, including material deliveries, may result in traffic delays prior to the start of any lane closure or detour.

Additional construction and traffic impact information and detour maps are available at the NWC Project website at http://www.dot.ga.gov/DS/GEL/NWC.
