State and Federal Transportation Update

Joshua Waller
Director of Policy and Government Affairs
December 8, 2021

Legislative Transportation Update

Presentation Highlights

- Update on Federal FY22 Appropriations and Debt Ceiling
- Update on Georgia Commission on E-Commerce and Freight Infrastructure Funding:
 - ▶ highlights of previous meetings
 - ▶ key concepts and themes
 - ▶ next steps
- GDOT Freight Funding Study (Separate from Freight & Logistics Plan Update)

Federal Update

Federal FY22 Appropriations & Federal Debt Ceiling

- On December 3rd, the President signed into law a continuing resolution for all federal appropriations through Friday, February 18th, 2022.
- The Continuing Resolution provides an additional 77 days of transportation funding for states at the FAST Act (prior authorization) levels.
- Congress must still resolve the extension/increase of the federal debt ceiling—estimates vary on deadline (mid to late December presently).

GA Commission on E-Commerce & Freight Infrastructure Funding

August 17th Meeting at GDOT One Georgia Center

- Georgia Freight & Logistics Action Plan Update—Jannine Miller, GDOT
- Re-Cap of 2019/2020 Freight Study Commissions—Sen. Beach & Kevin Tanner
- Freight & Logistics Market Survey—Eric Starks, FTR Transportation Intelligence
- Overview of Supply Chain in Georgia—Tim Brown, GA Tech
- Post-COVID Freight & Logistics Update—Sandy Lake, GA Center for Innovation for Logistics

GA Commission on E-Commerce & Freight Infrastructure Funding

August 17th Meeting—Sandy Lake, GA Center for Innovation for Logistics

Ecommerce Avalanche

- 2019 had only two \$2B days outside of the holiday season. As of August 2020, we had **130 days** that passed that milestone
- Every single day from May to the end of June was over \$2B.
- **The rate of ecommerce penetration in the US grew by 10 years in a 90-day period in 2020, reaching around 33%** (according to data from McKinsey)
- The US ecommerce market size in 2021 is forecast at \$843.15 billion—less than a third of that of China's.

GA Commission on E-Commerce & Freight Infrastructure Funding

November 15th Meeting at the Georgia Capitol

- Driving Change: The Promise of Per-Mile Charges for Georgia Transportation—Bob Poole, Reason Foundation.
- Federal Transportation Update—Joshua Waller, GDOT
- Freight Rail Perspectives on Supply Chain—Fred Miller, Associations of American Railroads

GA Commission on E-Commerce & Freight Infrastructure Funding

Key Concepts and Next Steps

- Understanding the factors driving the current disruptions to the national freight and logistics ecosystem.
- Highlighting ongoing challenges such as truck driver shortages, truck parking shortages, blocked railroad crossings, and other challenges.
- Evaluating key opportunities such as fully leveraging existing and new investment sources—match requirements for federal (IIJA) competitive grants.
- Next step will be to finalize and adopt Commission report by December 31, 2021.

GDOT Freight Funding Study

General Assembly Directed Appropriation

- State FY22 Budget appropriation in the Intermodal program to fund a freight funding study in conjunction with the Georgia Assembly's Freight Commission.
- Intermodal Division Study focus primarily on funding opportunities while the Planning Division Study is a broader, required update to the state's comprehensive freight action plan.
- Intermodal Division working with Moffatt and Nichol on the study to be completed by December 2022.

Talent Development Update

Kyle Mote

State Talent Development Manager

December 8, 2021

Agenda

- Rebranding
- Overview
- Innovations and additions
- Local Technical Assistance Program (LTAP)/District highlights

Rebranding, Mission and Vision

- Talent Development
- Mission: Engage employees through learning, development and challenges
- Vision: To invest in employees by engaging in continuous learning, skill development opportunities, and through professional enhancement training.

Summary of Trainings Offered

- Maintenance Skills Development Program
 - Includes “Boot Camp” program
 - Includes: NEO, driver training, and additional maintenance specific training
 - Examples: flagger, traffic control, intro to CDL, spotter training, small equipment, etc.
 - Led to improved safety
- Professional Engineer Development Program
- Commercial Drivers License (CDL) Alcohol and Substance Abuse
- Workplace Violence
- Drug Free Workplace
- Interview Selection Process
- Defensive Driving
- First Aid/CPR/AED
- National Highway Institute
- Reasonable Suspicion
- Interview Debrief
- Right to Know
- Career Opportunity, Resume Writing and Interview Skills
- Standards of Conduct
- Construction Engineering Inspection Training
- New Employee Orientation

Certifications

- Georgia Soil and Water Conservation Commission (GSWCC) Level 1a Fundamentals and Level 2 Introduction to Design - Certification and Recertification
- Worksite Erosion Control Supervisor (WECS)
- Locally Administered Projects (LAP): Plan Development Process
- ACI Aggregate Testing Technician Level 1 & 2
- National Safety Council First Aid/CPR/AED and Defensive Driving
- Smith's System Defensive Driving
- National Safety Council Flagger Certification
- Flagger Certification

Strategic Leadership Development

AASHTO Trainings

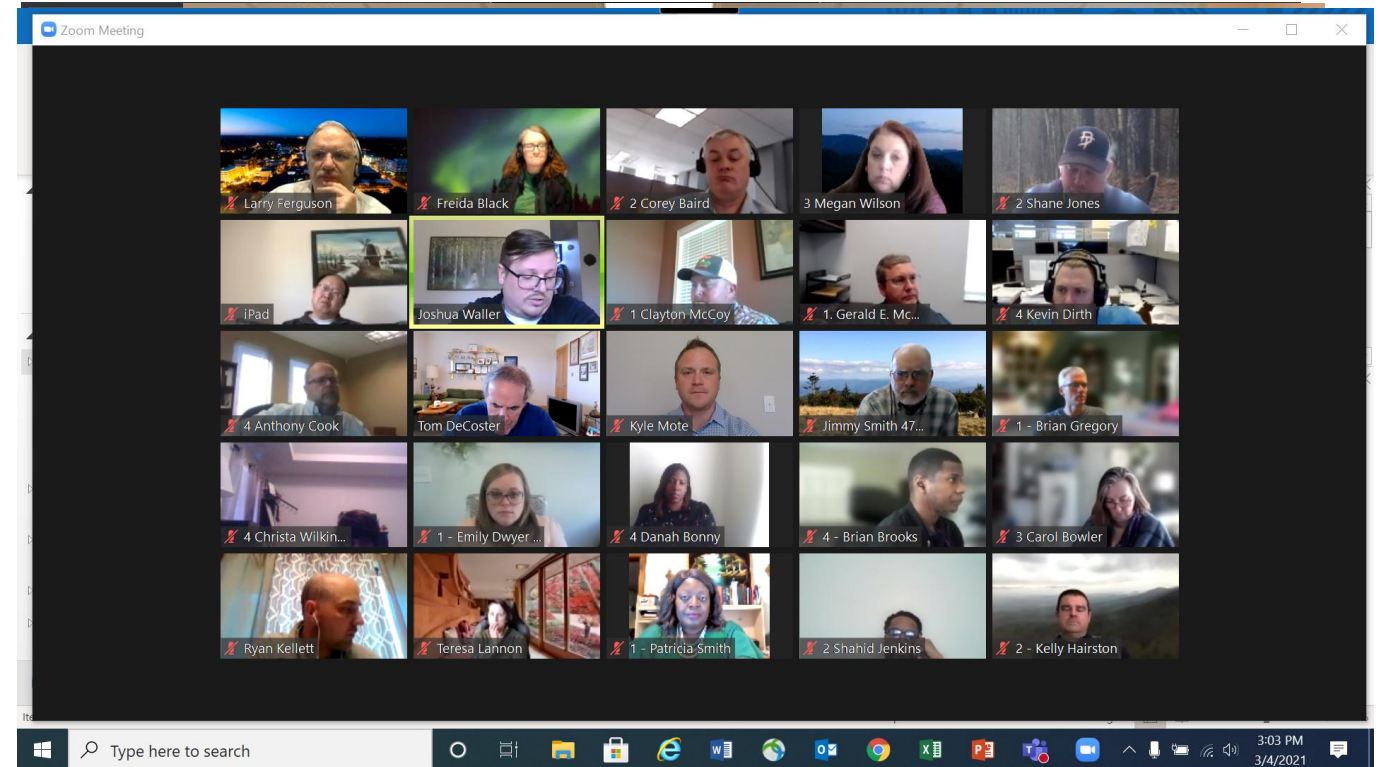

Advanced MDP

Management Development Program

Supervisor 101

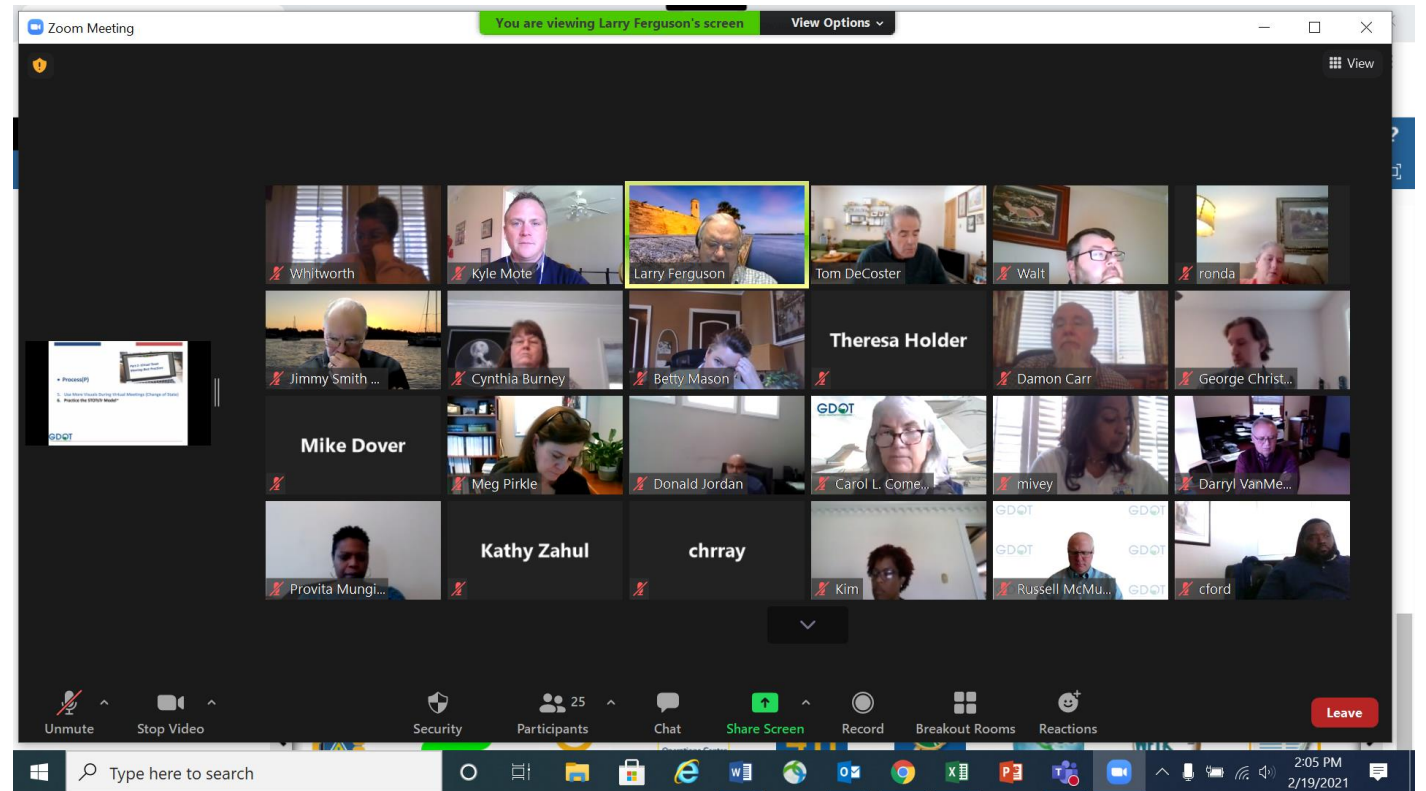

Management Development Program Updates

- Two week in person training
- Spring 2020 - First nationwide “Hybrid” Model
- Spring 2021– First nationwide virtual two week leadership program
- Fall 2021 – Two week in person training, with added topic of virtual leadership

RAMP

- Virtual leadership and meeting practices
 - Relationships
 - Accountability
 - Motivation
 - Process
- Developed with GDOT stakeholders

POLICIES & RESOURCES

FREQUENTLY ASKED QUESTIONS

Web Based Training by Year

Local Technical Assistance Program Highlights

- Zero on-line courses to over 15
- WECS and temporary traffic control offered as virtual course
- Partnered with other LTAP centers to offer webinars at no cost to them:
 - Traffic Engineering
 - Road Design
 - Pavement Management
 - Intersection Safety
- Training at local facilities
 - More participation and can be specialized to locations

District Highlights

- Condensed class sizes and material
- Ensured for state mandated trainings to be completed on time
- Assisted other districts
- Assisted LTAP office and IT
- Offered internal supervisor training
- Added materials and trainings to statewide efforts
- NEO trainings
- Academies

Softskill trainings

- Mixed use of third party trainers and internal
- Over 600 employees trained
- Topics:
 - Effective listening
 - Virtual team members
 - Transitioning from peer to supervisor
 - Leading your remote team
 - Writing business emails
 - Embracing change
 - Thriving in chaos
 - Virtual presentations

Start/Stop/Continue

- Start
 - Virtual leadership
 - Virtual soft skill trainings
 - Reduced class size
 - Increased training opportunities
 - Added new content
- Stop
 - In person trainings where virtual is an option
 - Old telework policy trainings
 - Large class sizes
- Continue
 - Offering trainings needed for certifications
 - NEO
 - Bootcamps
 - Leadership trainings
 - Supporting the Department's mission and vision
 - GDOT Connect

Heart of Georgia and River Valley Regions TIA 2 Update

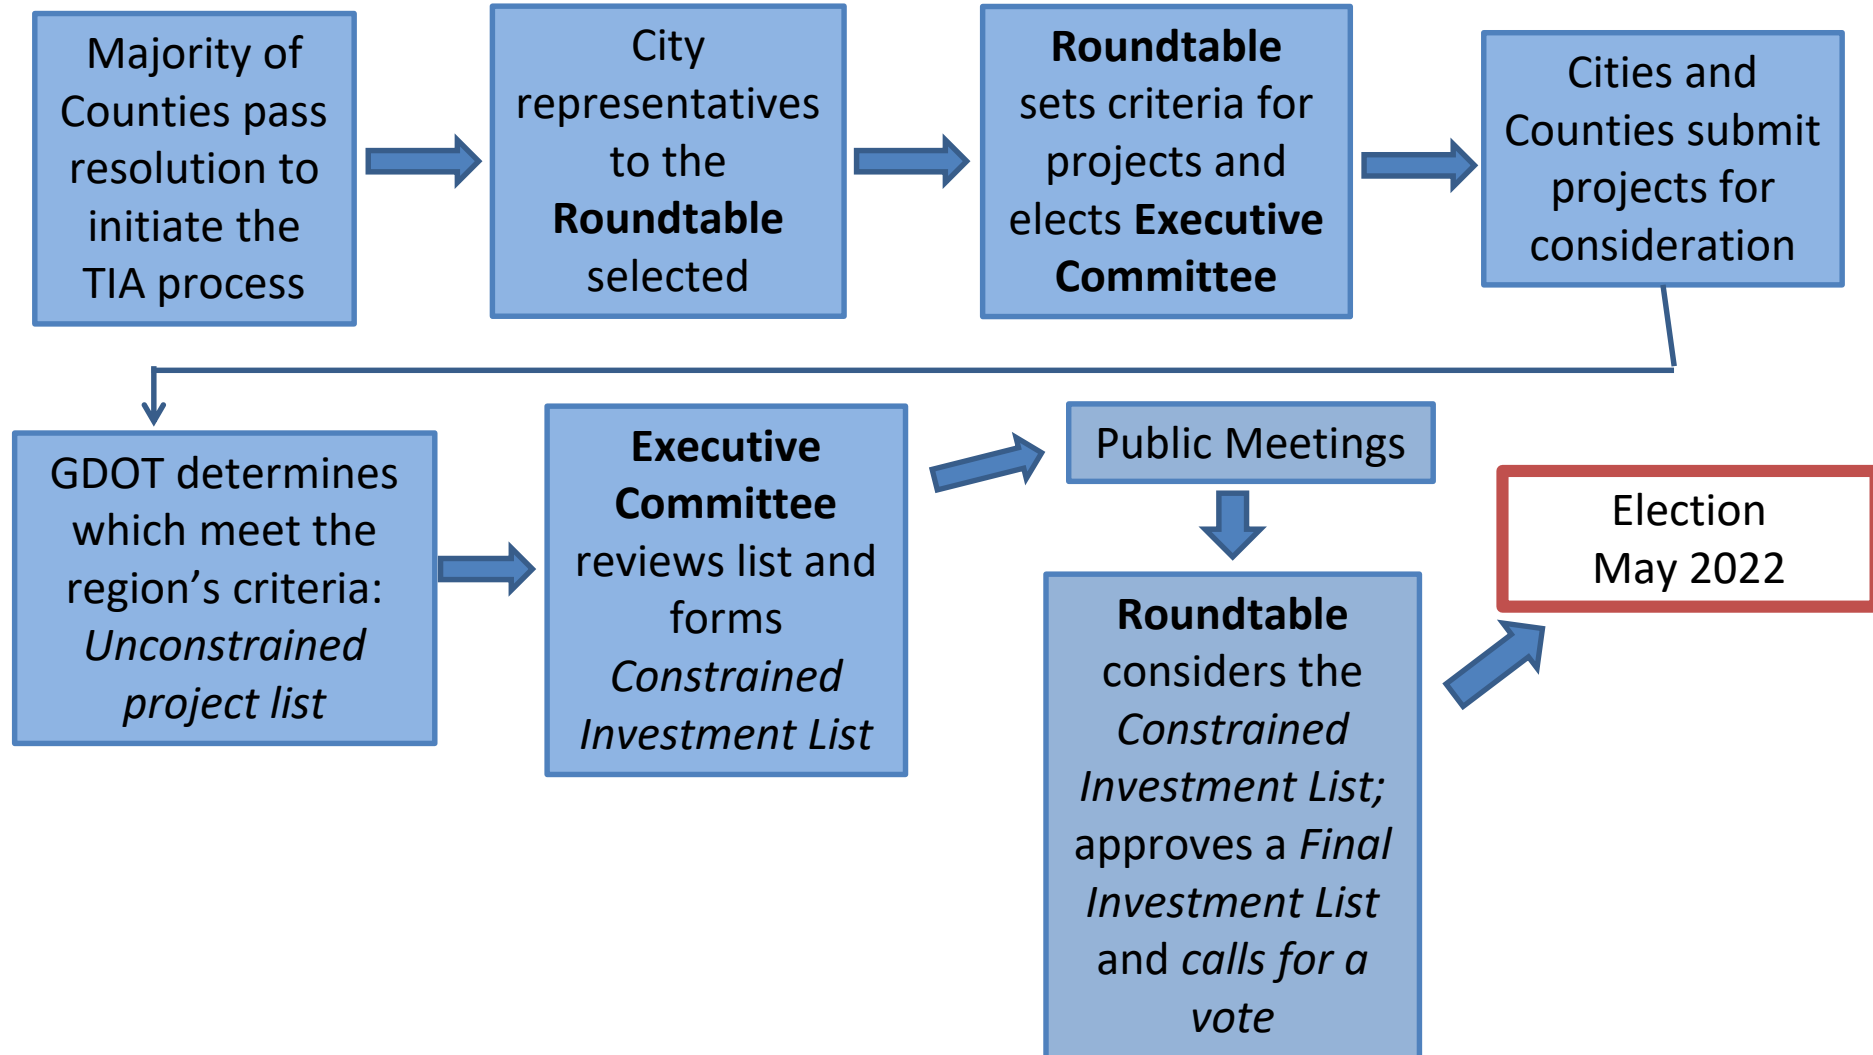

Kenneth Franks
State TIA Administrator
December 8, 2021

TIA Process

- Pursuant to Title 48, Chapter 8, Article 5 of the Georgia Code, the following process was developed to reinstitute the regional TSPLOST for another ten years.
- The TIA and Planning Offices closely coordinated with the Regional Commissions for Heart of Georgia and River Valley to ensure the process ran smoothly.
- Early on the Cities and Counties of each region were informed of the process and how to submit projects. The regional roundtables elected officials to the executive committee to oversee the project submission and selection process.
- Cities and Counties were kept informed via their executive committee representatives and the TIA and Planning team made them selves available to answer any project specific questions.

Regional TIA Process

Discretionary Funds

- Code Section 48-8-242 (10) provides “Project means, without limitation, any new or existing airports, bike lanes, bridges, bus and rail mass transit systems, freight and passenger rail, pedestrian facilities, ports, roads, terminals, and all activities and structures useful and incident to providing, operating, and maintaining the same. The term shall also include direct appropriations to a local government for the purpose of serving as a local match for state and federal funding.”

TIA vs T-SPLOST

Spring 2022 Ballot Question

- Shall _____ County's transportation system and the transportation network in this region and the state be improved by providing for a 1 percent special district transportation sales and use tax for the purpose of transportation projects and programs for a period of ten years?

Committee of the Whole

December 8, 2021

Rules and Regulations for Licensing of Certain Open-to-the-Public Airports

Steven V. Brian

Manager, Aviation Programs

Division of Intermodal

December 8, 2021

October Board Meeting

- Consider Amendments to Georgia Administrative Code Chapter 672-9, Rules and Regulations for Licensing Certain Open-To-The-Public Airports
- Rule Changes were opened for public comment through November 22, 2021
- During the public comment period, two comments were received from airports for Board consideration and adoption

Rules and Regulation Proposed Changes

- **672-9-.01 Definitions**

Under (g) Approach and Departure Path: Remove the words “ and Departure” from the definition as there is only an Approach Path State Standard

- **672-9-.03 Airports: Licensing Minimum Standards**

Under Section A and subsection 4, “Unobstructed Approach and Departure Paths” remove the words “and Departure” as there is only an Approach Path State Standard

Under Section H, “Fueling Area Requirements” subsection 2, replace the word “Grounding” with “Bonding”. Bonding is now the technical term used to prevent static electricity in fueling operations

Consideration of Approval to Amend the Rules Changes

- With these proposed changes to the amended Rules presented in October, the Board will be asked tomorrow to adopt the amended Rules
- Questions?
