

STATE TRANSPORTATION BOARD LEGISLATIVE COMMITTEE

State and Federal Legislative Update

November 15, 2017

Presentation Outline

- **Presentation of the 2018 Legislative Agenda Policy Recommendations**
- **November 7th Special Election Results**
- **Federal FY2018 Budget and Tax Reform Status**

2018 Legislative Session

Proposed Legislative Agenda Policy

- Policy recommendations presented to the Legislative Committee on November 15th.
- Policy recommendations considered for approval by the Legislative Committee on December 13th and the full State Transportation Board on December 14th.
- Recommendations aim to further streamline and improve the process for **surplus right-of-way disposal**; and to update the **pre-bid construction worksite inspection requirements** and the construction bid process to ensure **consistency on electronic submission** and **clarify deadlines** to ensure the best bids possible; and **Title 40 Operations and Right-of-Way management** update.
