Georgia Department of Transportation and Adopt A Highway Maintenance Corporation® Expand Partnership to Boost Litter Prevention Efforts Statewide

ATLANTA, GA—Today, the Georgia Department of Transportation (Georgia DOT) announced the next phase of its ongoing partnership with Adopt a Highway Maintenance Corporation® (AHMC), unveiling newly-designed road signs urging citizens across the state to “Keep It Clean Georgia.” Under this partnership, the existing Clean Georgia highway sponsorship program will be rebranded as part of Georgia DOT’s anti-litter campaign Keep It Clean Georgia, bringing the state’s initiative to combat litter to roadssides through the creation of new highway signage depicting the Keep It Clean Georgia logo.
Employee Spotlight: Demetrius Ford

If any of my friends know Demetrius Ford. Tell him I said thank you so very much. He works with Georgia Department of Transportation and was a huge blessing to me tonight. I broke down on the side of the road with heavy traffic and he pulled up beside me and stood in the rain to make sure I stayed safe. Such a sweet guy. I pray many blessings upon you.
Resolution Honoring Van Mason
