“The Different Pots”

Regional Pot

- 75% of the Region’s proceeds (except in ARC which is 85%)
- Will be used to fund all projects on the final project list approved by the roundtable and ultimately the citizens of the region
- GDOT will be responsible for project delivery except for transit in ARC region where GRTA is responsible.

Local Pot

- 25 % of the Region’s proceeds (except in ARC which is 15%)
- Divided among all local governments within the district based on the “LARP formula”
- 1/5th Population
- 4/5th Centerline Lane Miles
- Discretionary transportation money to be used for projects like resurfacing

Project Selection Process

Unconstrained Example Investment List

- Developed by GDOT with input from MPOs and local jurisdictions
- List developed by June 1 2011

Constrained Draft Investment List

- Director of Planning and Executive Committee collaborate to develop constrained list(June-August 2011)
- Submitted to Roundtable by August 15, 2011

Constrained Final Investment List

- Executive Committee to hold public meetings on Constrained Draft Investment List (over 40 meetings)
- Roundtable review and approve by October 15, 2011

We Are Here

Regional Commission	Total TIA Funding Requested (Millions)	Total TIA Funding Available (Millions)	% Required to be Cut
