The Eastern Federal Lands Highway Division (EFLHD) has developed a FY 2015-2018 Transportation Improvement Program (TIP) for transportation projects within Federal Lands. The Federal requirement under Title 23 U.S.C. § 204 requires that the TIP be developed as part of the transportation planning process for Federal Lands projects. The attached spreadsheet contains an overall list of projects for your State. This list will soon be placed on the EFLHD website (<http://www.efl.fhwa.dot.gov>) in order to provide reference and information for citizens, affected public agencies, transportation agencies, private providers of transportation, and other interested parties.

Through this transmittal, we are seeking your assistance in transmitting the EFLHD's TIP to your State Department of Transportation for inclusion (*as an appendix*) into their Statewide Transportation Improvement Program (STIP) and to applicable Metropolitan Planning Organizations (MPO). If you have questions or comments regarding the TIP, please contact Mr. Lewis Grimm, Planning Team Leader, at (703) 404-6289 or Lewis.Grimm@dot.gov. Thank you for your assistance.
