

# Transform 285/400: Lane Modifications on Glenridge Drive Under I-285

## Glenridge Drive Under I-285

**Who:** Transform 285/400 project  
**What:** Shifting lanes for construction activities  
**Where:** Glenridge Drive under I-285  
**When:** Fall 2018 through Fall 2020  
**Why:** To create space for construction of new bridges on I-285 over Glenridge Drive

### Occasional Weekend Closures:

**Friday at 9 p.m. to Monday at 5 a.m.**

Expect modified lane configurations for weekend lane closures.

The construction activities will begin with restriping the roadway and placing barriers to separate the work area from the traveling public. The modified lane configuration will remain in place through the utility relocations and bridge construction.

Pedestrian access will be maintained throughout construction activities.
