

Corridor Study Survey – Public Input Meeting November 2015

Northside Drive from I-20/Whitehall Street to I-75 – PI# 0007557

Since you live, work, own property, operate a business or other organization, go to school, and/or travel in the Northside Drive corridor, you are vital to this effort. The Georgia Department of Transportation (GDOT) would like to obtain some information from you that will help us plan and design transportation improvements serving all users, including motorists, pedestrians, bicyclists, and transit riders using the corridor for their travel. To help study the corridor in more detail, we have divided up the corridor into four segments (as described below). **You are welcome to provide comments on any and all of the segments.** Please fill out this survey and leave it with our project team before you leave. Thank you very much for your help on this important corridor study. If you write your name, e-mail address, and/or mailing address at the bottom of this survey, we will send you information about upcoming corridor activities so you can continue to participate with us. Thank you for completing this survey!
