## **LONG-TERM LANE CLOSURES**

A wave of continuous work along the project corridor will lead to intermittent closures through the end of the project in 2018. Please note that not all closures are continuous and will be shifting as work dictates.

Ongoing roadway work in the I-575 median between the I-75/I-575 Interchange and Sixes Road will routinely require single left lane closures on I-575 between the off-peak hours of 8 p.m. – 5 a.m. through Spring 2018.
