GEORGIA

SYSTEM OF STATE ROADS

Scale of Miles

*Mr. Traylor
Richmond Co
Neil H. Neill Esq
Savannah 24th*

The official county-seat-to-county-seat state road system as approved by the senate and house of representatives in the Traylor-Neill highway mileage bill. The system will consist of more than 9,000 miles, but construction will not be started on the additional mileage until the 6,300 miles comprising the present system have been completed. Representative Traylor, of Richmond county, said the map is designed to show the state system mileage as suggested recently by Thomas H. Clarendon, head of the United States bureau of roads.
