ROADSIDE PARKS

You are invited to use Georgia's 90 newly built roadside parks. You will always find ample parking space off the highway, with clean, concrete tables and benches in shady and often scenic surroundings. Grills and firewood are provided for cooking your meals in the open, if desired. Please use the trash cans. Drinking water is available at only a few of these parks but usually it can be found nearby. The parks were built and are maintained by the State Highway Department.
