

Photo Submission Licensing Agreement

Agreement Statement

1. By submitting photographs to the Georgia Department of Transportation (GDOT), you are representing that you are the owner of such photos, or are making your submission with the express consent of the owner. Ownership rights of, and title and copyrights to, the photographs (including the electronic file, - jpeg, tiff or otherwise- in which the photographs are stored) remain the sole and exclusive property of the photographer. By submitting photos to GDOT, you grant to GDOT (including GDOT's partners, agents, affiliates and service providers (collectively, "Third Party Providers")), the nonexclusive rights to reproduce, modify, crop, adapt, publish, translate, publicly perform and publicly distribute such photos as GDOT and GDOT's Third Party Providers see fit, in any format or medium now known or later developed, for any purpose, and at any time -- now or in the future. You also agree that GDOT, including GDOT's Third Party Providers, may identify you as the photographer and/or owner of any photos you submit; such identification may include, but is not limited to, your full name, or email address as GDOT sees appropriate. GDOT also reserves the right (but assumes no obligation) to delete, move, crop or edit any photo that comes to GDOT's attention that GDOT considers unacceptable or inappropriate, whether for legal or other reasons.
2. This licensing agreement is governed by Georgia law, can only be amended if both parties do so in writing, is assignable solely by GDOT and supersedes any contrary oral or written agreement or understanding.

This agreement shall be effective as of the date of publication of the Map, nuc pro tunc.
