ABOUT THIS MAP

This map is published as an aid for transportation, recreational, and touring cycling. The map indicates general traffic levels on state roadways with colors from green (low volume) to red (high volume); this data is presented so cyclists may choose a road route that meets their level of experience and expectation. Roads with a minimum four foot shoulder are outlined in black. The Georgia DOT has made efforts to ensure that the information contained in this map is correct as of the date of publication. However actual conditions encountered may vary and GDOT makes no warranties for accuracy. Unpredictable changes of traffic, road, and weather conditions will require cyclists to constantly review all roads for continued suitability.
