Georgia Association of Metropolitan Planning Organizations (GAMPO) Board Members

Subject: September 2020 PL Funds Review Committee Meeting

Dear GAMPO Members:

The Department would like to thank you for conducting the PL Funds Review Committee Meeting that was held on September 28, 2020. This letter will serve as official correspondence from the Department acknowledging and highlighting the results of the September 28, 2020 meeting.

Listed below is the approved application summary with the assigned Georgia Department of Transportation (GDOT) project identification number (P.I. No.) and cost summary.

- **Coastal Region metropolitan Planning Organization (CORE MPO) - SR 307 CORRIDOR STUDY:** Requested \$250,000 (\$200,000 Federal, \$50,000 Local) to develop the SR 307 Corridor Study. The PL Funds Review Committee voted yes for approval of this application request. The GDOT project ID for this study is P.I. No. 0017906

The project selected totaled \$250,000 (\$200,000 Federal; \$50,000 Local) based upon the submitted application. As a reminder, any MPO that receives supplemental PL funding for planning studies utilizing consultant services must follow all standard applicable Federal, State and Local procurement procedures. Additionally, any MPO that receives supplemental PL funding will need to work with their respective GDOT transportation planner to execute the new separate PL planning study contract. An amendment is required to the respective MPO's Unified Planning Work Program (UPWP) placing the associated funds in the funded portion of the UPWP. This specific amendment can be completed administratively or through the respective MPO's standard UPWP amendment process.

The CORE MPO will need to provide a progress status update at the next GAMPO meeting in March 2021 and in writing to the Department prior to the upcoming meeting. This will enable the PL Funds Review Committee to thoroughly track progress, dollar amounts expended, and provide an effective oversight measure.

The Department looks forward to continue working with the GAMPO members and the MPOs in this process. If you have any additional questions, please feel free to contact Ted Hicks at 404-631-1750 or at ehicks@dot.ga.gov.
