

Georgia Department of Transportation

**FY2021 5311 Vehicle
Purchasing
September 1, 2020
11:15 a.m. - 12:00 p.m.**

Michele Nystrom, Transit Compliance & Asset Manager

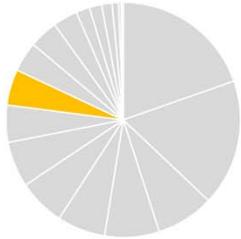

FY21 Delivery Schedule

- **All contracts have been executed for FY21**
- **GDOT will begin requisitioning vehicles in September**
- **GDOT is reviewing 6/30/20 mileage on vehicles being replaced to ensure ULB is met**
- **Vehicles cannot be turned into surplus unless they meet ULB**
- **Please be sure to utilize to the fullest extent possible, your FY21 replacement vehicles to insure they will meet the 150K mile minimum useful life.**

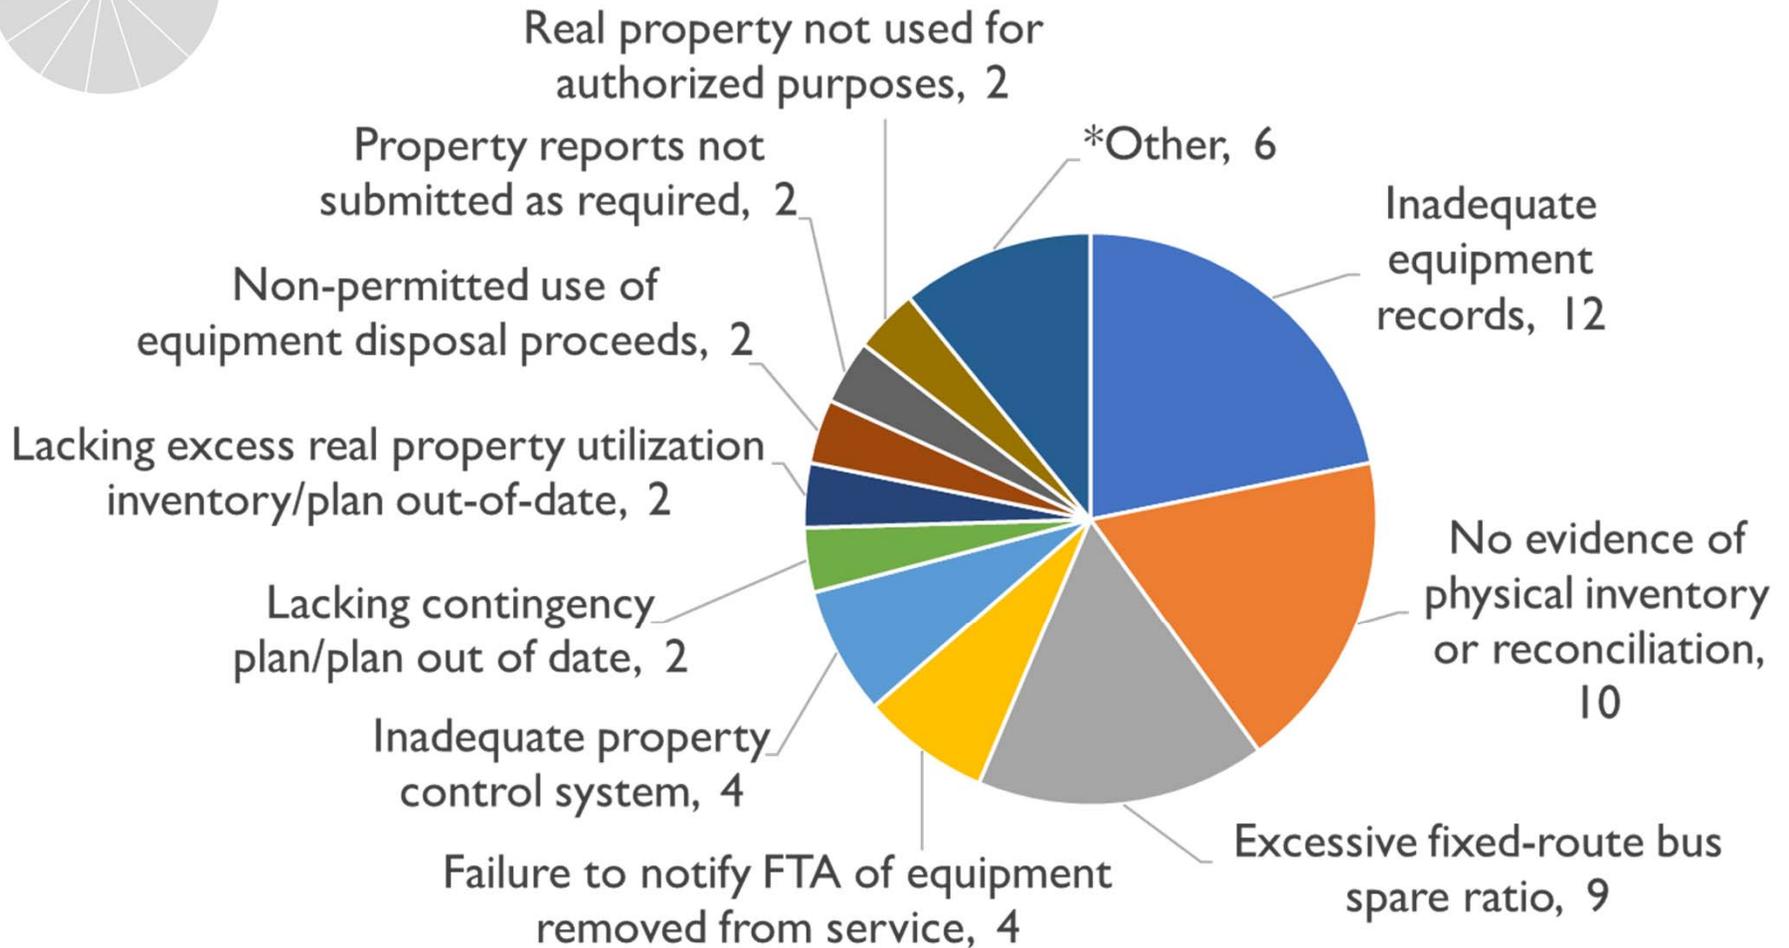

Other Fleet Updates

- **Fleet Manager position remains vacant**
- **COVID-19 has delayed some surplus turn-ins – work with your District PM to schedule turn-ins for FY20 replacements**
- **COVID-19 has made the title releases more challenging – please work with your District PM's to achieve title releases**

Accident Reporting Process

- Report Accidents to District Program Manager within 24 hours
- Send GDOT a copy of accident report & police report within 5 days
- Follow FTA Post Accident Testing Decision Report to ensure driver D&A testing is performed if the accident meets testing thresholds
- Reportable Incidents for NTD: reporting of injuries or fatalities
- BEST PRACTICE: Conduct Driver training to include defensive driver training, sensitivity training, ADA regulations and evacuation procedures

Post Accident Drug & Alcohol Testing Thresholds

❖ Post Accident Testing Thresholds

1. Yes - Passengers transported to hospital from accident scene
2. Yes - Vehicle is disabled, inoperable, requires towing from site
3. Yes – Fatality occurred
4. Yes – Test if any of the above applies to 5311 vehicle or private vehicle involved in accident

DOAS Guidelines - Statewide Contracts

GDOT – Transit Subrecipient Workshop

September 1, 2020

Welcome!

PRESENTER

Eric Mercier, GCPA

Contract Management Specialist

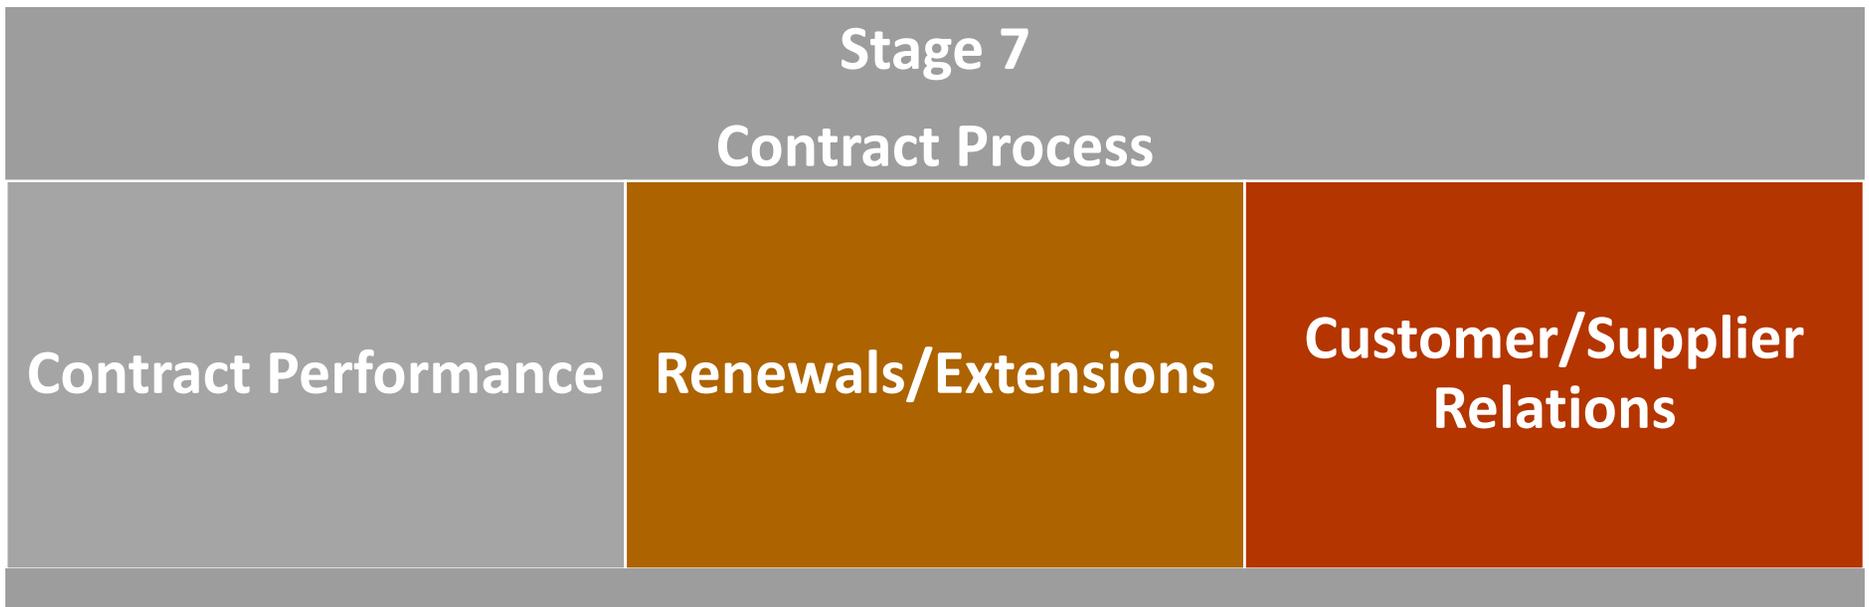

State Purchasing Division, DOAS

Dillard University, B.S. Business Management

Georgia Department of Administrative
Services

Seven Stages of Procurement

State Purchasing establishes competitive statewide contracts for a variety of products, services, and equipment that are needed by state entities. Statewide contracts include commonly used commodities such as office furniture, motor vehicles, temporary staffing and building supplies.

The Mass Transit Statewide Contracts are designated:

- **Convenience Statewide Contracts**

Statewide contracts are put in place for an initial term with renewable options.

To search for information on Contracts

Use the search feature to search for information on the contract status, contract administrator, suppliers, etc.

Statewide Contract Index – Search Features

The screenshot shows the 'Statewide Contract Index – Search Features' page on the Team Georgia Marketplace. The page includes a navigation menu on the left with options for Home, Shop, Contracts, and Reporting. The main content area features a search interface with a search bar and several filter dropdowns. A blue callout box highlights the search bar with the text: "Search by contract name, number, summary, etc." The search bar contains the placeholder text "Search by contract name, number, summary, etc." and a search icon. Below the search bar are three filter dropdowns: "Contract Status" (set to "Active"), "Contract Expire Date" (set to "All"), and "Contract Date" (set to "All Dates"). The page also includes a "Search Quick Access" section with a link to "Active Statewide Contracts" and a "Welcome To Team Georgia Marketplace's Statewide Contracts Page!" message. The footer contains the URL "https://solutions.sciquest.com/apps/Router/ShoppingDashboardUserDetails?tmstmp=156680565..." and the text "Powered by JAGGAER | Privacy Policy".

Order of Precedence – Statewide Contracts

Statewide Contract Index – Search Results

The screenshot displays a web application interface for searching statewide contracts. The browser tabs include 'Campaigns | Mailchimp', 'Supplier Training', and 'Search Contracts'. The URL is 'solutions.sciquest.com/apps/Router/ContractSearch'. The page features a navigation menu with 'Home', 'Shop', 'Contracts', and 'Reporting'. The main content area is titled 'Contract Search Results' and shows 1-25 of 25 results. The search terms are 'Natural Gas'. The results are filtered by 'Begin/Expire Date: All' and 'Contract Status: Active'. The search results are sorted by 'Best Match' and show 200 items per page. The results list includes contract IDs, descriptions, suppliers, and dates.

Key Points In Maintaining Your Wheelchair Lift

- Routine cycling of lift is recommended
- Cycling of the manual lift mechanism 1-2 times annually
- Get familiar with the owners manual
- Have technicians attend training sessions
- Add industry web sites at favorite sites. Take advantage of online training.
- Routine and timely adjustments are the key to avoiding costly repairs.

Caring for your A/C System

- Do not sweep interior of bus while A/C System is in operation
- Check your Return Filter every month, and clean when needed.
- Clean your condenser coil every 90 days
- Examine belts on a regular basis.
- Do not run the A/C unnecessarily
- Have a A/C System check up once a year. (Avoid an early summer surprise)

ALLIANCE  BUS
GROUP

ALONG FOR THE WHOLE RIDE®

Caring for Exterior Body

- **Wash with light soapy detergent (Dish Detergent)**
- **Wax exterior once per year (Min.)**
- **Do not park vehicle under trees**
- **Keep up with minor body repairs, caulk as needed**
- **Check all body seams for cracks and separation, including roof seam. (will prevent water intrusion)**
- **Never spray your floor with a water hose**
