Area Class 1.12 Description: Major Investment Studies

In brief, concise sentences and using the following format, please describe your work experiences that demonstrate your ability to perform work in Area Class 1.01. Experience descriptions must be written in first person and must state the statewide systems planning that was *personally completed*.

The combined experience descriptions must include: **problem definition, alternative solution definition and evaluation techniques, proactive citizen involvement throughout the study, analysis of costs, benefits and financing, environmental analyses at a level suitable for use in draft environmental impact studies, air quality analyses, evaluations of final alternatives and study documentation. Additionally, general knowledge of the Major Investment Study requirements as stated in the Intermodal Surface Transportation Efficiency Act of 1991 and subsequent guidelines is required.**

Note: Please list and describe projects below. **Experience with conducting studies which address transportation needs on a corridor or sub-area scale, and which will likely lead to high type transportation investments must be demonstrated.** Additional sheets may be used if necessary, but are not encouraged.
