

Employee Qualification Statement

Area Class 3.04 – Multi-lane Rural Interstate Limited Access Design

Two Georgia Professional Engineers required

Firm Name:

Employee Name:

Professional Engineer, GA #:

Describe project experience (may be experience with previous firm) of one or more roadways. In brief, concise sentences and using the following format, please describe your work experience that demonstrates your ability to design (engineer) one or more portions of a new location or widened interstate highways in a rural area with minimal conflicts with utilities. Experience of design may include any aspect relating to AASHTO, GDOT or local jurisdiction design standards. Experience descriptions must be written in first person and must state the design personally completed.
