Re: GDOT CSSTP-0007-00(353) Hall County – Site No. 1

Dear Mr. Holcomb:

The Georgia Department of Transportation has recently screened proposed right-of-way for the referenced project for contamination. Contamination was found on your property. The report of findings for the property is enclosed for your information. The Department wanted to make you aware of this situation since contamination is reported to the Georgia Department of Natural Resources Environmental Protection Division (EPD).

If you need additional information from this office please contact Reginald Murph or Leslie Kelly at (404) 608-4720.

Very truly yours,

Re: GDOT CSSTP-0007-00(353) Hall County – Site No. 1

Dear Mr. Wallace:

During the course of our routine Underground Storage Tank (UST) screening process, the required right-of-way of the above referenced project was screened for possible contamination. Contamination was encountered at the above referenced site. The attached report showing the owner of the property and the locations is being provided for your information. A copy of this report has been submitted to the property owner.

If you need additional information from this office please contact Reginald Murph or Leslie Kelly at (404) 608-4720.

Very truly yours,
