

GDOT Standard Distribution List

Receiving Office	Distribution by>>>> Address to:	Design Policy & Support				GDOT Project Manager								Acronyms		
		Concept Report (& Revised) Approval		L&D Approval		PFPR Plans (C, Z)		FFPR Plans (C, K, AC)		Corrected FFPR Plans (L, AC)		Final Plans (N, AC)			UOC Revisions (AC)	
		EN	HC	EN	HC	Ltr (J)	11"x17" (AC)	Ltr (J)	11"x17" (AC)	Ltr (J)	11"x17" (AC)	Ltr (J)	11"x17" (AC)		Ltr (J, Y)	11"x17" (AC)
Non-GDOT Offices																
FHWA (Projects of Division Interest) (A)	Moises Marrero (Division Administrator)		1			1	1	1	1			1 (U)	1 (U)	1	1	
Transportation Board Member	(name varies by Congressional District)	1		1												
Awarded Contractor	(name varies)													1 (T)	4	
State Road & Tollway Authority (AB)	Sam Samu @ ssamu@srta.ga.gov	1				Ltr/electronic plans		Ltr/electronic plans				Ltr/electronic plans		Ltr/electronic plans		
General Offices (i.e., Atlanta)																
Bridge and Structural Design	Donn Digamon	1		1		1	(D)	1	(D)			1		1		
Construction	John Hancock					1		1		1		1		1		
	State Construction Liaison (varies by District)					1		1				1		1		
Bidding Administration	Nicholas Fields											1 (O)	1			
Design Policy & Support, CADD Group	Chris Rudd/Frank Flanders					Ltr & CADD files (E)										
Design Policy & Support, Lighting Design	Chris Rudd/Robert Graham	1 (P)		1 (P)		1 (P)		1 (P)	1 (P)			1 (P)	1 (P)	1 (P)		
Design Policy & Support, Design Services Mgr.	Chris Rudd/Frank Flanders													1 (Q)		
Design Policy & Support, Water Resources Group	Chris Rudd/Brad McManus	(X)		(X)		(X)	(X)	(X)	(X)			(X)	(X)	(X)		
Director of Engineering	Hiral Patel	1		1		1		1				1				
Director of Intermodal Division	Carol Comer	1														
Director of Program Delivery	Albert Shelby	1		1		1		1		1		1		1		
Engr. Services - Environmental Compliance	Daryl Williams											1	1	1		
Engr. Services - Estimating Section	Erik Rohde/ Joshua Taylor									1	2					
Engr. Services - Plan Review Section	Erik Rohde/Walter Taylor	1		1		1	2	1	2	1	1			1		
Environmental Services	Eric Duff	1		1		1	2	1	2	1	2	1		1		
Financial Management	"OFM Concept Reports" Inbox	1		1												
Innovative Delivery	Darryl VanMeter	1		1												
Maintenance	Andy Doyle					1	1	1	1	1	1	1	1	1	1	
Maintenance - Landscaping Group	Felicity Davis					1	1 (F)	1	1 (F)			1				
Materials and Testing	Monica Flournoy	1				1		1				1				
Materials and Testing - Pavement Management	PavementManagement@dot.ga.gov	1				1		1				1				
Office Administrator/Project Manager	(name varies by office)/PM	1		1												
Planning	Tom McQueen/Charles Robinson/Radney Simpson	1		1												
Program Control	Bobby Hilliard			1												
Right-Of-Way	Kevin York Districts 1 & 7					1		1				1				
	Adrienne Wise Districts 3 & 6					1		1				1				
	Andy O'Quinn Districts 2, 4, & 5					1		1				1				
Right-Of-Way	plansoffice@dot.ga.gov			1												
Roadway Design	Andy Casey	1 (B)		1 (B)		1 (B,G)	1 (G)	1 (B,G)	1 (G)							
State Location Bureau Chief	Benny Walden	1		1												
State Railroad Liaison Manager	Patrick Allen / Jill Franks	1 (V)				1 (V)		1 (V)				1 (V)				
State Railroad Crossing Manager	Patrick Allen / Kevin Cowan	1 (V)				1 (V)		1 (V)				1 (V)				
State Subsurface Utilities Engineer	Patrick Allen / Shonnell Gibbs	1				1	1 (H)	1	1 (H)			1		1		
State Utilities Engineer	Patrick Allen	1				1	1	1	1			1		1		
Traffic Operations	Andrew Heath	1		1		1	1	1	1	1	1 (M)	1	1	1	1	
Transportation Data	HighwaySystemsAdministrator@dot.ga.gov	1		1		Ltr/electronic plans (I)										
District and Area Offices																
Area Manager	(Name varies by Area)			1		1	2	1	2	1	1 (M)	1	4	1	4	
Construction Engineer						1	1	1	1	1	1 (M)	1	2 (W)	1	1	
District Engineer		1		1		1	1	1	1	1	1 (M)	1		1		
Planning & Programming Manager				1												
Preconstruction Engineer	(Name Varies by District)	1		1		1	1	1	1	1	1 (M)	1		1		
R/W Acquisition Team Leader						1	1									
Traffic Engineer		1				1	2	1	2	1	1 (M)	1	1	1	1	
Utilities Manager		1				1	2 (R)	1	2 (R)	1	1 (M)	1	1 (R)	1	1 (R)	

(A) Only for projects that are full-oversight with FHWA.
 (B) Only for projects designed by the GDOT Office of Roadway Design.
 (C) Distribution of plans to offices for field plan reviews shall be made at the same time that distribution is made to the GDOT Office of Engineering Services. PM will: (NPW) place pdf of the FPR package (all attachments to letter and plans) on "\\Gdot-dfs\roaddesign\ReviewStore" in a subdirectory named "\\(Project PI)" and include a link to this location in the FPR request letter or (PW) will refer to the PFPR or FFPR Process Workflow Document on the ProjectWise web page.
 (D) Electronic files only for projects that involve retaining walls (section 31 or 32), sound barrier (section 33 or 34), bridges (section 35), special design culverts (section 39), or overhead sign structures.
 (E) Only for projects designed by consultant, refer to the "PFPR Process" Workflow Document (GDOT staff) or the "External Create Submittals for EDG Check" Training document (Consultant staff) on the ProjectWise web page.
 (F) Only for projects that will contain landscaping items in the plans and contract proposal.
 (G) Only on consultant designed plans managed by the GDOT Office of Program Delivery.
 (H) Only when SUE is performed, (NPW) place the TOPO, PROP, LIMT, MAIN, REQD, UTLE, UTLP CADD files on Pcommon in a subdirectory named "\\(Project PI)\SUE PFPR\" or "\\(Project PI)\SUE FFPR\" or (PW) refer to the PFPR or FFPR Process Workflow Document on the ProjectWise web page.
 (I) Only for projects with state route or local road realignments that require Maintenance Resolution Agreement or State Highway System Revision. Email Letter and .pdf of Cover and Plan & Profile sheets only, to attention: Scott Susten at ssusten@ga.dot.gov.
 (J) Hard copy letters should only be sent to individuals receiving hard copy plan submittals (or other hard copy submittals), otherwise a pdf letter should be sent by e-mail.
 (K) FFPR plans should be submitted to GDOT Office Engineering Services and this distribution list (for scheduling FFPR) no later than 28 weeks prior to Letting.

(L) For GDOT Let projects only, submit Corrected FFPR Plans 18 weeks prior to Letting; also include pdfs of all construction plans, project-specific special provisions, soil reports, BFI's, a copy of the current CES estimate, and earthwork calculations for preparation of the Department's Final Plan Cost Estimate and for verification that all FFPR comments have been implemented. If any FFPR comment is not implemented, this submittal will also include an annotated FFPR report which includes a detailed explanation below each comment not implemented. This explanation should include a timeframe by which the comment will be implemented.
 (M) PM will (NPW) place pdf of construction plans on Pcommon in a subdirectory named "\\(Project PI)\Final Corrected Plans(date)\\" or (PW) refer to the FFPR Process Workflow Document on the ProjectWise web page.
 (N) Completed Final Plans are submitted to the GDOT Office of Construction Bidding Administration and this distribution list 10 weeks prior to Letting.
 (O) A list of submittal requirements is provided on the "Designer's Checklist for Plans Submittal" located under "Category: Bidding Administration" at http://www.dot.ga.gov/PS/DesignManuals/DesignResources. For projects that require an NOI, include 3-HS/3-11"x17" sets of ESPCP only with required Georgia Construction Standards and Details. If GDOT Contractor is responsible for utility relocation, include 1-HS/1-11"x17" set of utility relocation plans (PPG Section 44). The GDOT Office of Construction Bidding Administration will submit the ESPCP, NOI, and Utility Relocation Plans to GaDNR/EPD.
 (P) Only for projects that include lighting.
 (Q) (NPW) Refer to EPP Quick Reference on ROADS web page or (PW) refer to Use on Construction workflow document on the ProjectWise web page.
 (R) PM will coordinate with District Utilities office prior to printing plan sets, and ensure that plans sets are provided to the District Utilities Office per their request.
 (S) For submission of R/W plans, for review & approval & for revised R/W plans, refer to the Electronic Plans Process (EPP) Quick Reference on ROADS web page under "Design Related Links and Resources" or (PW) refer to the RW Plans Workflow Documents on

the ProjectWise web page. In addition, notify OES for first submission - R/W plans will be available in ProjectWise.
 (T) All UOC plan revisions shall be sent from the GDOT Project Manager to the contractor's corporate headquarters.
 (U) Final Plans will be sent to FHWA by the Office of Construction Bidding Administration.
 (V) Only for projects with railroad tracks within 250 feet of project limits.
 (W) Part of the District Estimator package. Should also include CES print out, Earthwork calcs, SP 108.08, SP 150.11, SP 107.23, and Environmental Resource Impact Table.
 (X) Only for projects that include stormwater BMPs required for MS4 Permit compliance or other environmental commitments. For PFPR, submit the following in PDF format to stormreports@dot.ga.gov: (1) half-size set of PFPR plans; (2) Stormwater BMP Infiltration Report (if applicable), and (3) a draft post-construction stormwater report. For FFPR submit to the same e-mail address, the following: (1) half-size set of FFPR plans; (2) Stormwater BMP Infiltration Report (if applicable), and (3) accepted post-construction stormwater report (including any PCSR Addendums).
 (Y) A pdf of the Revision Summary Sheet should be sent with the UOC Revision letter.
 (Z) For projects requiring a Constructability Review, follow the PFPR column and provide plans at least two weeks before the Constructability Review Meeting.
 (AA) Send to the District Office for the Construction Liaison to pick up. Send another set to the State Bridge Liaison only if projects involve retaining walls (section 31 or 32), sound barrier (section 33 or 34), bridges (section 35), special design culverts (section 39), or overhead sign structures.
 (AB) Only for projects located within a mile of the SRTA toll lanes network.
 (AC) V7/CAICE projects developed with the 24"x36" sheet size will submit half size to distribution.
