

DEPARTMENT OF TRANSPORTATION
STATE OF GEORGIA

INTERDEPARTMENT CORRESPONDENCE

FROM  Margaret B. Pirkle, P.E., Chief Engineer DATE December 16, 2015

TO Chief Engineer Divisions/Districts/Consultant Relations Committee

SUBJECT Submission of Environmental Documents with Prime Verification letter

In an effort to ensure that the Prime Consultant is both aware of submittals to the Office of Environmental Services and validates that these submissions are reflective of the Roadway plans, moving forward all submissions must have a letter of concurrence from the Prime Consultant that the product is being submitted per the schedule, reflects the latest Roadway plans and is a quality product.

Additionally, all submissions must copy the GDOT Project Manager.

If there are any questions please contact me at 404-631-1004 or Albert Shelby at 404-631-1758.
