

# DEPARTMENT OF TRANSPORTATION STATE OF GEORGIA

## INTER-DEPARTMENT CORRESPONDENCE

DATE March 6, 2015

**FROM** Brent A. Story, P.E., State Design Policy Engineer

**TO** Distribution

**SUBJECT** GDOT Post-Construction Stormwater Training for Design Professionals

A new training course will be offered this year to reflect the requirements of GDOT's MS4 permit and the release of the revised Drainage Manual. Refer to the course description below for details. If you have questions about the MS4 permit please contact the MS4 Program Manager Brad McManus at [bmcmanus@dot.ga.gov](mailto:bmcmanus@dot.ga.gov).

**Description:** This two-day course will describe the new GDOT post construction stormwater design policy and provide designers with hands on design exercises on detailing the implementation of these requirements on projects in MS4 areas. This training will include information on policy, design and documentation for all GDOT projects for each milestone submittal. The new post-construction stormwater BMPs that are included in the Manual and their design requirements will be covered, along with design examples for each BMP. Participants should bring a calculator for use with in-class design examples.

**Target Audience:** Design Professionals that are responsible for the design and/or review of post-construction stormwater BMPs on GDOT projects. A basic understanding of hydrology and stormwater modeling is recommended.

**Dates and Locations:**

- Tuesday 3/24/15 and Wednesday 3/25/15, OMAT Forest Park
- Wednesday 4/29/15 and Thursday 4/30/15, OMAT Forest Park
- Tuesday 5/19/15 and Wednesday 5/20/15, Training Center @ Aviation Center
- Wednesday 6/24/15 and Thursday 6/25/15, District 3 – Macon Area Office

**Time:** 9:00am to 4:00pm both days (one hour break for lunch on your own)

**Registration Fee:** There is a \$200 registration fee for non-GDOT employees.

Consultants can register for this course via the GDOT Learning Management System (LMS). Follow this link to register: <http://www.dot.ga.gov/doingbusiness/trainingresources/Pages/default.aspx>

Note: You must have a current LMS account in order to register for this course. New users must create an account and complete the validation process to activate the new account prior to enrolling in a class. Contact the GDOT Solutions Center at [solutionscenter@dot.ga.gov](mailto:solutionscenter@dot.ga.gov) for assistance.

**Payment:** Checks should be made to Georgia Department of Transportation. Include the name of the class and attendee's name(s) on the check. Mail to the address below:
