GDOT ANNOUNCES LANE CLOSURES FOR I-85 NORTHBOUND

COWETA COUNTY, GA. - Contractors for the Georgia Department of Transportation are performing major reconstruction of I-85 at different locations between Exit 34 (SR 14/US 29) and Exit 41 (SR 14/US 27 Alt). To ensure motorists and contractor safety, this work will warrant lane closures along this section of I-85, which could cause delays.

Georgia DOT reports the following construction activities are tentatively planned.:

- **I-85 NORTHBOUND:** Northbound lane closures between mile markers 34 – 36 and 39 - 41 during the daytime hours of 8 a.m. until 7 p.m. daily, Monday, April 26 through Thursday, April 29.

Details will be provided by message boards throughout the corridor.

The Georgia DOT notes that the above construction schedules are proposed activities planned by the contractors and may change due to weather conditions or other factors.

As in any work zone, motorists are reminded to pay special attention to traffic control devices, signs and posted speed limits to ensure safe passage through the work zone.

Georgia DOT urges travelers to call 511 for updated information about this or any other construction project on interstates and state routes. Georgia 511 is a free phone service that provides real-time traffic and travel information statewide, such as traffic conditions, incidents, lane closures, and delays due to inclement weather. Callers also can transfer to operators to request assistance or report incidents 24 hours a day, seven days a week. More information is available at www.511ga.org.

The Georgia Department of Transportation is committed to providing a safe, seamless and sustainable transportation system that supports Georgia's economy and is sensitive to both its citizens and its environment. Additional transportation revenues are imperative to grow and sustain Georgia's economic vitality and quality of life through the 21st Century. Georgia is the 3rd fastest-growing state in the nation, yet 49th in per capita spending on transportation. For general information on the Georgia DOT, please visit our Web site (www.dot.ga.gov).
