GEORGIA DOT ANNOUNCES MULTIPLE RAMP CLOSURES AT I-95/SR 204 INTERCHANGE

WHEN: Nightly, 7 p.m. to 7 a.m., Tuesday, April 12, and continuing through Wednesday, April 13, weather permitting.

WHERE: I- 95 Southbound Exit 94 to SR 204/Abercorn Extension
I- 95 Northbound Exit 94 to SR 204/Abercorn Extension
I- 95 Southbound On Ramp from SR 204/Abercorn Extension
I- 95 Northbound On Ramp from SR 204/Abercorn Extension

WHAT: Contractors for the Georgia DOT have scheduled micro-mill and inlay for the I-95/SR 204 Interchange entrance and exit ramps. These ramps will be closed at various times between 7 p.m. and 7 a.m., Tuesday, April 12, and through Wednesday, April 13, weather permitting.

Signed detours will be in place using State Route 144/ Ford Ave. and State Route 204/Abercorn Extension. As Ramps are closed, the signed detours will be put in place. Motorists should slow down and check signage in the area for these ramps closures.

This is a **WORK ZONE** and extreme caution is necessary. Motorists are advised to reduce speeds as they travel through this work zone. Motorists should slow down and check signage in the area for these ramps closures.

Each day, hundreds of Georgia Department of Transportation employees and contractors work on dozens of highway, bridge and intersection improvements throughout the state. Their work often brings them and heavy machinery in close proximity to travel lanes. Fifty-seven Georgia DOT personnel and many more motorists, passengers and contractors' workers have been killed in highway work zone accidents since 1973. Please help us prevent these tragedies by slowing down; being especially attentive and cautious as you pass through construction work zones; and always driving responsibly. Safer Driving; Safer Work Zones; For Everyone.
