Augusta Project Kickoff...

Berckmans Road Project Groundbreaking May 6

WHAT: Augusta-Richmond County and the Georgia Department of Transportation cordially invite guests to the official groundbreaking for the Transportation Investment Act (TIA) supported Berckmans Road Realignment and Widening Project Wednesday, May 6 at 1:30 p.m.

The TIA project will realign Berckmans Road at Washington Road and Alexander Drive to complete a continuous north-south connection between Gordon Highway and the commercial centers along Washington Road and Riverwatch Parkway. This project will also enhance pedestrian and bicycle safety and improve traffic flow along Washington Road. The road design will remove the existing split-phased signal operation, which allows for a more direct route between south Augusta and nearby commercial centers. All work should be complete just in time for next year's Masters Tournament.

WHEN: Wednesday, May 6 at 1:30 p.m.

WHERE: Near the intersection of Heath Drive and Cherry Lane in Augusta
