## **CSX Closing Camak Railroad Crossing for Road Repair**

- What:** On behalf of CSX Corporation, the Georgia Department of Transportation wants Warren County and the Camak community to be aware of planned State Route 80 railroad (RR) crossing removal planned for **Tuesday, June 2**. The CSX RR crossing just south of Camak will be removed completely at that time and a detour will be required.
- When:** Tuesday, June 2; The roadway repair work should take one day weather permitting.
- Where:** CSX RR crossing on SR 80 in Camak; Traffic will detour using SR 80, Camak Road and US 278. Proper signage will direct motorists around the single day work area.
