Deans Bridge Road pavement evaluation requires lane closures

AUGUSTA- On behalf of the Georgia Department of Transportation, a geotechnical firm will Tuesday and Wednesday perform a pavement evaluation along State Route 4/US 1/Deans Bridge Road between Tobacco Road and Meadowbrook Drive in both the north and southbound lanes.

Temporary lane closures spanning 200 feet will be installed at 12 locations for 45 minutes each between 9 a.m. and 4:30 p.m. both days, weather permitting. The work is part of an evaluation for a future project.
