**WHAT:** Georgia DOT granted a permit to Clifton's Construction to install a temporary single right lane closure on U.S. 80 east from the intersection of S.R. 17 through the intersection of Zeigler Road in Effingham County. The eastbound right lane closure is scheduled from 8 a.m. through 5 p.m., Thursday, July 11, weather permitting. The lane closure will be utilized for drainage installation, signal upgrade and new deceleration lane/access drive to US 80 for a new development.

Motorists are advised to reduce speeds as they travel through this construction work zone and expect minor delays in this area.

*Each day, hundreds of Georgia Department of Transportation employees and contractors work on dozens of highway, bridge and intersection improvements throughout the state. Their work often brings them and heavy machinery in close proximity to travel lanes. Fifty-seven Georgia DOT personnel and many more motorists, passengers and contractors' workers have been killed in highway work zone accidents since 1973. Please help us prevent these tragedies by slowing down; being especially attentive and cautious as you pass through construction work zones; and always driving responsibly. Safer Driving; Safer Work Zones; For Everyone. For more information on Georgia DOT, please visit [www.dot.ga.gov](http://www.dot.ga.gov) or subscribe to our Press Release [RSS feed](#).
