## EXPECT NIGHT LANE CLOSURES ON I-20

**WHAT:** Weather permitting; Georgia DOT contractors will begin working on the eastbound lanes between Exits 11 and 19. This work will require a single night lane closure from 9 p.m. until 5 a.m. Motorists should expect delays while crews work to replace the concrete pavement on the interstate.

This paving operation is part of an 12.7-mile pavement replacement project on I-20 beginning at US 27/SR 1/Exit 11 and extending to SR 61/Exit 24 in Carroll County. Work on this project has just begun. The entire project is scheduled to be completed by the end of October 2019, at a construction cost of \$80,354,843.

**WHEN:** Sunday October 9 and Monday, October 10 through Thursday, October 13

**WHERE:** Between mile posts 12 and 14, from 9 p.m. on Sunday until 5 a.m. Monday morning  
Mileposts 14-16: from 9 p.m. Monday night until 5 a.m. Tuesday morning

*about this or any other construction or maintenance project/operation on our interstates and state routes. Each day, hundreds of Georgia Department of Transportation employees and contractors work on dozens of highway, bridge and intersection improvements throughout the state. Their work often brings them and heavy machinery in close proximity to travel lanes. Fifty-eight Georgia DOT personnel and many more motorists, passengers and contractors' workers have been killed in highway work zone accidents since 1973. Please help us prevent these tragedies by slowing down; being especially attentive and cautious as you pass through construction work zones; and always driving responsibly. Safer Driving; Safer Work Zones; For Everyone. For more information on the Department of Transportation, visit <http://www.dot.ga.gov>.
