## GEORGIA DOT BEGINS PLACEMENT OF REFLECTIVE RAISED PAVEMENT MARKERS IN FLOYD POLK AND CARROLL COUNTIES

**WHAT** Georgia DOT Maintenance crews begin today their work on installing reflective raised pavement markers on State Route (SR) 1 Loop in Floyd County, SR 6 in Polk County and SR 5 in Carroll County. Work will proceed daily between the hours of 7:30 a.m. and 5:30 p.m., weather permitting.

**WHEN:** Tuesday, March 31 through Friday, April 3, 2015 from 7:30 a.m. until 5:30 p.m.

**WHERE:** SR 1 Loop in Floyd County, SR 6 in Polk County and SR 5 in Carroll County

*Each day, hundreds of Georgia Department of Transportation employees and contractors work on dozens of highway, bridge and intersection improvements throughout the state. Their work often brings them and heavy machinery in close proximity to travel lanes. Fifty-seven Georgia DOT personnel and many more motorists, passengers and contractors' workers have been killed in highway work zone accidents since 1973. Please help us prevent these tragedies by slowing down; being especially attentive and cautious as you pass through construction work zones; and always driving responsibly. Safer Driving; Safer Work Zones; For Everyone. For more information on Georgia DOT, please visit [www.dot.ga.gov](http://www.dot.ga.gov) or subscribe to our Press Release [RSS feed](#).
