McDuffie and Columbia County...

I-20 eastbound slab maintenance moving to night work

What: The Georgia Department of Transportation has Interstate 20 eastbound contract slab work returning during night hours this week. As weather allows, the contractor will level slabs within McDuffie and Columbia County starting tonight through early Saturday. The traveling public should pay close attention to personnel and heavy equipment moving along I-20 at various times. Traffic control and lane closures are required to complete these activities.

When: Tuesday, May 31 through Saturday, June 4 from 9 p.m. to 5:30 a.m.; The contractor may have to return next week depending on progress.

Where: Spots of I-20 eastbound from McDuffie County mile 171 to Columbia County mile 194
