Lowndes County...

New I75 South Off-Ramp Traffic Signal is Operational

What: The Georgia Department of Transportation is alerting motorists that a new traffic signal at the top of an Interstate 75 South off-ramp in Lowndes County is operational. The signal was installed at the top of the Exit 22/U.S. 41/state Route 7/North Valdosta Road ramp to alleviate congestion and move traffic more efficiently.

When: The signal became operational today.

Where: I-75 South off-ramp of Exit 22/ U.S. 41/state Route 7/North Valdosta Road, Lowndes County
