GLYNN COUNTY...

GEORGIA DOT ANNOUNCES I-95 NORTHBOUND DOUBLE LEFT LANE CLOSURE

- WHEN:** Beginning at 2 p.m. through 10:45 p.m., Wednesday December 7, weather permitting.
- WHERE:** I-95 North in Glynn County between mile marker 34 and mile marker 35 at Turtle River Bridge.
- WHAT:** Contractors for Georgia DOT will be installing a double left lane closure on I-95 North between mile marker 34 and mile marker 35 in Glynn County. This double left lane closure will be utilized for installation of beams on the Turtle River Bridge. There will be intermittingly controlled traffic pace by law enforcement. This work is scheduled to begin at 2 p.m., Wednesday, December 7 and continue through 10:45 p.m., weather permitting.

This is a **WORK ZONE** and extreme caution is necessary. Motorists are advised to reduce speeds as they travel through this construction work zone. Message signs, barrels and cones will be utilized to alert the public of the upcoming changes. Drivers should be aware that personnel and equipment will be operating in close proximity to travel lanes.

Each day, hundreds of Georgia Department of Transportation employees and contractors work on dozens of highway, bridge and intersection improvements throughout the state. Their work often brings them and heavy machinery in close proximity to travel lanes. Fifty-seven Georgia DOT personnel and many more motorists, passengers and contractors' workers have been killed in highway work zone accidents since 1973. Please help us prevent these tragedies by slowing down; being especially attentive and cautious as you pass through construction work zones; and always driving responsibly. Safer Driving; Safer Work Zones; For Everyone.
