GLYNN COUNTY...

I-95 at SR 99 Lane Closures on Tap for Next Week

WHAT: The Georgia Department of Transportation wants the traveling public to be aware of lane closures planned **Monday, April 6** to **Wednesday, April 8** around the Interstate 95 at State Route 99 Interchange area. The contractor will have one-of-three southbound and northbound lanes closed to continue painting bridge beams over the roadway at Exit 42. All work is weather contingent. Motorist should expect delays during this operation and should exercise caution by reducing speed within the work zone. Drivers should be aware that personnel and equipment will be operating in close proximity to travel lanes.

This punch list work is part of the \$11 million interchange reconstruction project in the City of Brunswick. This project includes reconstruct of the SR 99/I-95 interchange in order to raise and lengthen the bridge. Two, 12-foot through lanes, two opposing left turn lanes, a variable raised median and two bike shoulders (one in each direction) are project highlights.

WHEN: Monday, April 6 through Wednesday, April 8 from 7 a.m. until 5 p.m., weather permitting

WHERE: I-95 north and southbound lanes at SR 99 (Exit 42)
