### **I-20 Rehab Near Savannah River Bridge**

**WHAT:** A Georgia Department of Transportation District concrete crew will be sawing a broken concrete slab on Interstate 20 eastbound at the approach to the Savannah River Bridge crossing over into South Carolina on Monday, May 4 and will be pulling and replacing it on Tuesday, May 5. This work will take place in the right outside lane with traffic being shifted to the left inside lane. Be aware of the work zone and pay attention to flagmen, cones and directional signage.

**WHEN:** Work starts the morning of Monday, May 4 and will continue into Tuesday, May 5

**WHERE:** I-20 eastbound at the approach to the Savannah River Bridge in the right outside lane
