

Weekend Lane Closures

Only potentially disruptive lane closures on major interstates and state routes are included here. Shoulder work is not included. For real-time statewide construction reports throughout the weekend, visit www.511ga.org or call [511](tel:511). If you would like to receive or discontinue receiving this report, please email: Mark McKinnon at mmckinnon@dot.ga.gov.

Contractors and engineers will base their plans on the weather forecast, special events, project progress and other factors to make the final determination for the weekend.

Motorists can access real-time, statewide, route-specific information on accidents, road work, traffic and weather conditions through Georgia 511 - a free phone service. By dialing 511, callers also can transfer to operators to 24 hours a day to report incidents or request assistance. The system can be used to access transit providers, major airports, rideshare organizations, tourism information and 511 systems in surrounding states. Additionally, 511 is available online. Georgia DOT partners with sponsors for assistance in funding 511, thereby preserving tax dollars and helping sustain critical services. For more information about 511, visit www.511ga.org.
