Lanes closing for SR 121 Bypass resurfacing project the next few weeks

WAYNESBORO- Reeves Construction Company will Tuesday morning begin the State Route (SR) 121 Bypass resurfacing project in Waynesboro.

Contractors will be in the roadway from south of SR 24 to north of Sam Dong Road starting at 8 a.m. and ending at 5:30 p.m. daily. Reeves personnel could be on-site until Saturday, Nov. 19 finishing this \$2.3 million project.

The public should expect lane closures and delays in the area as they will move around ongoing work via a flagging operation. Whenever you approach a work zone: slow down; allow extra distance between vehicles; read signs; obey road crew flaggers; and expect the unexpected.

Citizens should monitor 511ga.org or download the App to stay current on all upcoming roadwork and projects. [Georgia DOT East](#) on Facebook and [@GDOTEastTraffic](#) on Twitter also provide daily updates.
