NWC Express Lanes Requires Daytime Traffic Pacing on I-75 Southbound and Terrell Mill Road

WHAT: As work continues on the NWC Express Lanes for managed lanes access at Terrell Mill Road, a daytime traffic pace for rock blasting is scheduled that will affect I-75 southbound traffic beginning at South Marietta Parkway and for traffic crossing under I-75 on Terrell Mill Road.

WHERE: **I-75 Southbound from South Marietta Parkway to Windy Hill Road**

- **Wednesday, November 2nd and Thursday, November 3rd** there will be traffic pacing beginning at South Marietta Parkway to Windy Hill Road **beginning at approximately 1:00 p.m.**
- During the same time frame, both eastbound and westbound traffic on Terrell Mill Road will be paced between Water Place and Bentley Road.

ADVISORY: Motorists are advised to expect delays and exercise caution while driving in these areas. On-site message boards indicating dates and times will be present in advance of these closures.

Please visit the project website at <http://www.dot.ga.gov/DS/GEL/NWC>. to stay informed, or email northwestcorridor@dot.ga.gov to subscribe to weekly traffic alerts.
