NWC Express Lanes Bridge Work Requires Night Time I-285 Eastbound Collector Lanes and Ramp Detours at the I-75/I-285 Interchange

WHAT: Weather permitting, night time detours will take place for bridge construction within the NWC project corridor at the I-75/I-285 Interchange.

WHEN: Tuesday, June 7th through Wednesday, June 8th during the off-peak hours of 10:00PM to 5:00AM

WHERE: **I-285 Eastbound Collector Lanes and I-75 Northbound Ramp Closures**— Traffic traveling to I-285 Eastbound or to I-75 Northbound from the eastbound collector lanes will be directed to take the I-75 Southbound Exit Ramp (Exit 20) to Cumberland Boulevard. Traffic will then be directed to turn left on Cumberland Boulevard followed by another left to access I-285 Eastbound or I-75 Northbound via the ramp from Cumberland Boulevard.

The I-75 Southbound ramp to I-285 Eastbound Collector Lanes (Exit-259A) will also be closed, traffic will need to take the primary ramp (Exit-259) or continue south and exit at Cumberland Boulevard (Exit 258) to access I-285 Eastbound.

ADVISORY: Motorists are advised to exercise caution while driving in these areas. On-site message boards indicating dates, times and detour routes will be present in advance of these closures.

Additional construction and traffic impact information and detour maps are available at the NWC Project website at <http://www.dot.ga.gov/DS/GEL/NWC>.
