NWC Express Lanes Work Requires Overnight Detour at I-575 Northbound and Towne Lake Parkway

WHAT: Weather permitting, a night time detour will reroute traffic at I-575 northbound as well as eastbound and westbound traffic at Town Lake Park in order to set bridge beams.

WHEN: Friday, October 30th beginning at 9:00PM through Saturday, October 31st at 5:00AM.

WHERE: I-575 Northbound at Towne Lake Parkway.

I-575 Northbound detour: Traffic traveling I-575 Northbound will be directed to exit the interstate at Towne Lake Parkway (Exit 8), and resume travel on the interstate via the I-575 Northbound entrance ramp from Towne Lake Parkway.

Towne Lake Parkway traffic will not be permitted to cross under the interstate; on-site message boards will indicate detours for both eastbound and westbound Towne Lake Parkway traffic.

ADVISORY: Expect delays on both I-575 Northbound and Towne Lake Parkway. Motorists are advised to exercise caution while driving in these areas. On-site message boards indicating dates, times and detour routes will be present in advance of these closures.

Please be advised that construction activities, including material deliveries, may result in traffic delays prior to the start of any lane closure or detour.

Additional construction and traffic impact information and detour maps are available at the NWC project website at <http://www.dot.ga.gov/DS/GEL/NWC>.

###

Northwest Corridor Express Lanes Project

Towne Lake Parkway Eastbound Detour

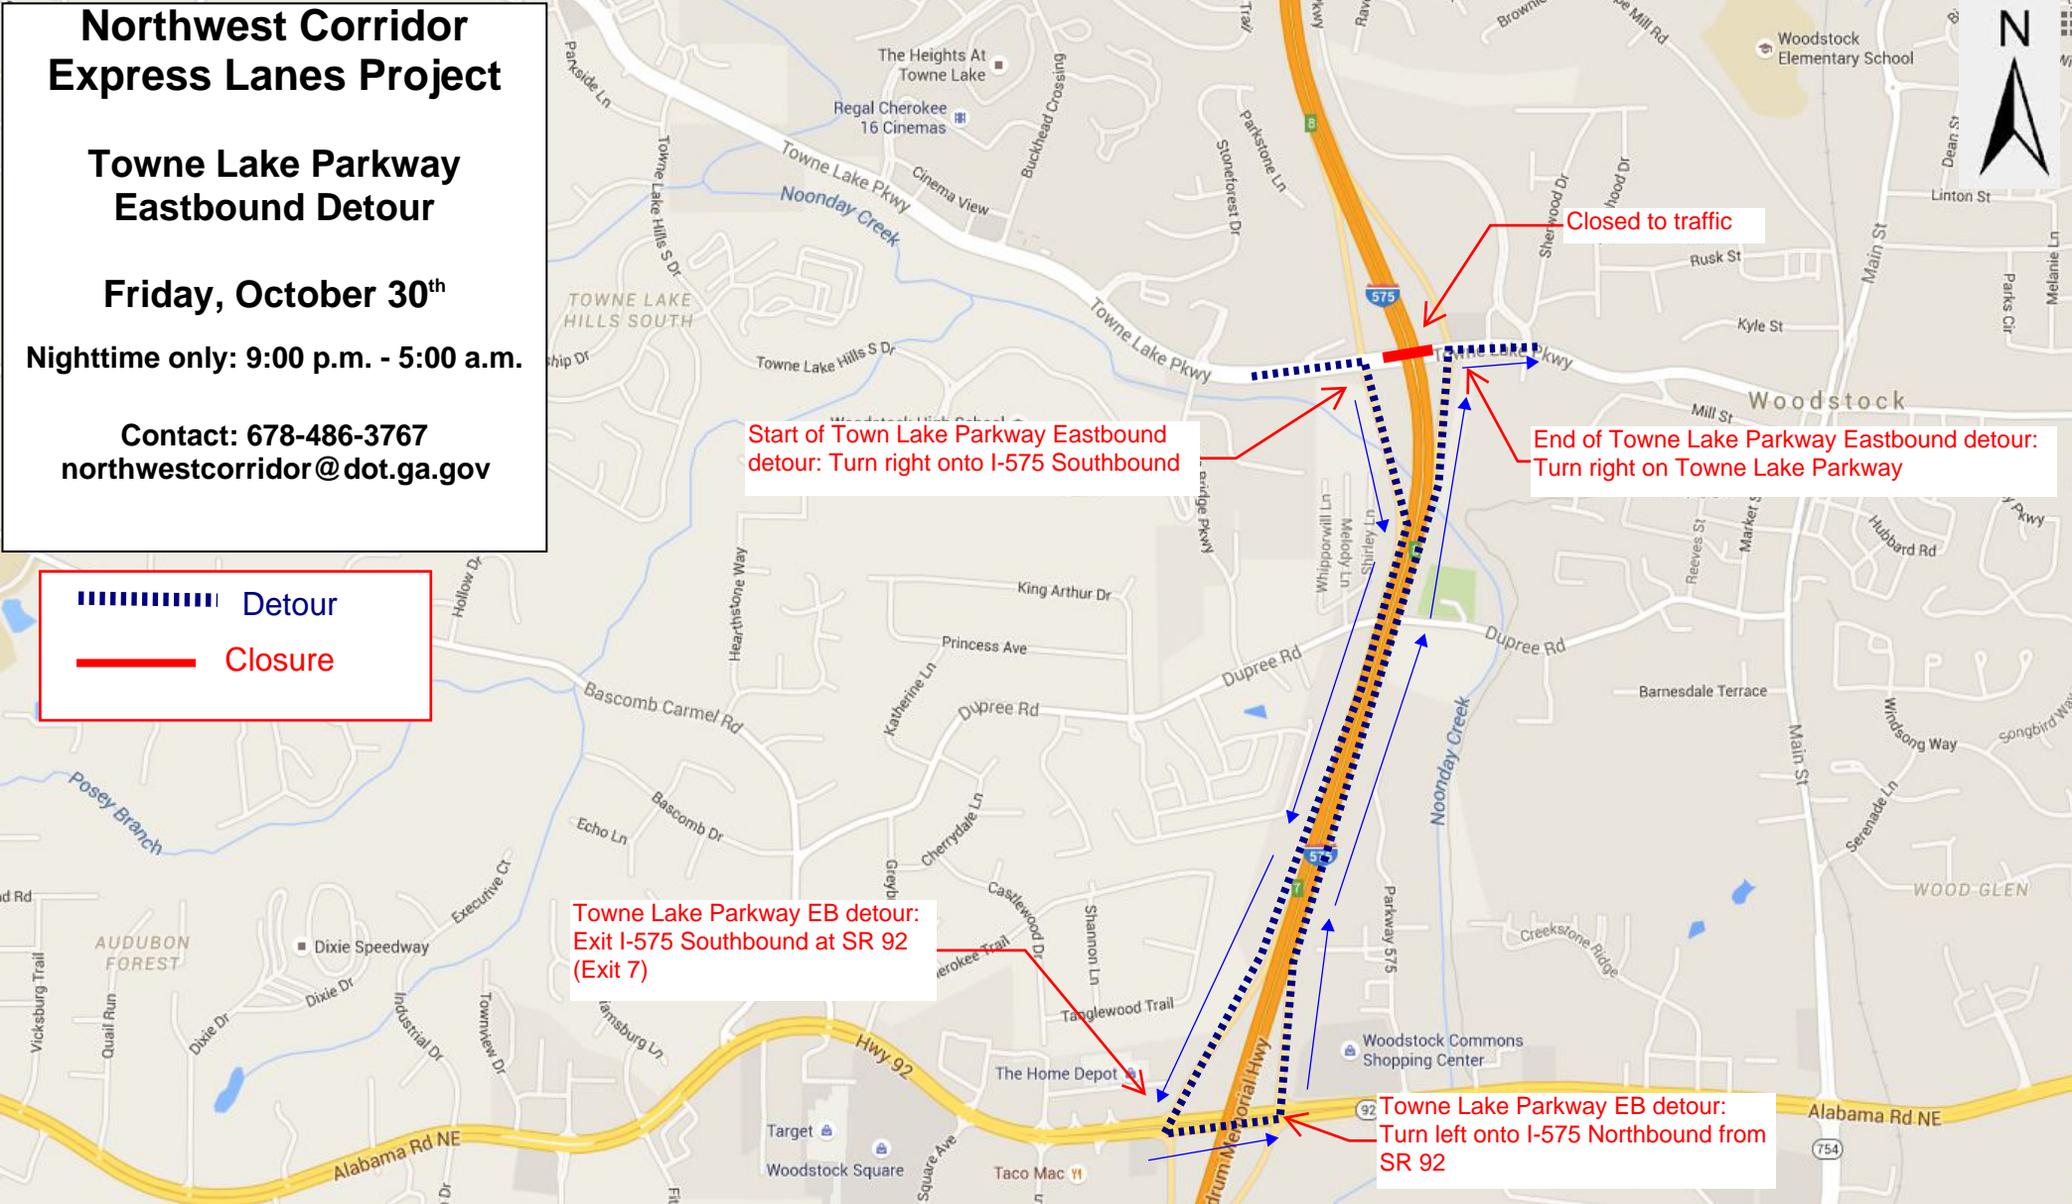

Friday, October 30th

Nighttime only: 9:00 p.m. - 5:00 a.m.
