North Jefferson Street Commuter Parking Lot in Albany Reopens

What:

The North Jefferson Street Rideshare commuter parking lot in Albany is now open. For traffic coming from downtown (going north on North Jefferson Street), the paved lot is on the right side of the road just past the Liberty Expressway overpass. The lot is striped for 16 parking spaces.

The lot closed in September 2013 as work began to reconfigure the Liberty Expressway/North Jefferson Street interchange. That \$13 million construction project is nearing completion.
