Gas Main Break on SR 3/ US 41/ Northside Drive

ATLANTA – A gas main was hit on SR 3/US 41/ Northside Drive around **11 a.m., Wednesday, September 2** while Georgia Department of Transportation contractors were installing a water line on SR 3/ US 41/ Northside Drive. The road is closed from **West Wesley Road to Arden Road** while Georgia DOT contractors actively work to repair the gas main on SR 3/US 41/ Northside Drive. An estimated time of clearance has yet to be determined. Motorists should seek alternate routes and avoid travel in this area.
