### **River Watch Parkway lane closures returning Monday**

AUGUSTA- River Watch Parkway single lane conditions are returning Monday morning and will occur for the next two weeks, allowing contractors to complete shoulder construction activities.

Beams Contracting Inc. will close one lane in each direction into and out of Augusta between River Shoals Parkway and 15<sup>th</sup> Street from 9 a.m. to 4 p.m. daily. As weather allows, the closure setup should be present roughly Monday, Sept. 26 to expected completion Saturday, Oct. 8.

This is a final construction item featured in the over \$9 million Transportation Investment Act funded enhancements to River Watch Parkway. The major resurfacing, median barrier and lighting aspects are complete in this area, along with guardrail installation, bridge slab replacement and safety vegetation removal.

Whenever you approach a work zone: slow down; allow extra distance between vehicles; read signs; obey road crew flaggers; and expect the unexpected.

Citizens should monitor [511ga.org](http://511ga.org) or download the App to stay current on all upcoming lane closures. [Georgia DOT East](#) on Facebook and [@GDOTEastTraffic](#) on Twitter also provide daily updates.
