GEORGIA DOT SCHEDULES PLACEMENT OF REFLECTIVE RAISED PAVEMENT MARKERS ON TWO STATE HIGHWAYS IN PAULDING AND CHEROKEE COUNTIES

WHEN: Monday, August 13 through Thursday, August 16, 2012 from 7:30 a.m. until 5:30 p.m.

WHERE: State Route (SR) 120 in Paulding County and SR 108 in Cherokee County

WHAT Georgia DOT's Maintenance Crews will work on installing reflective raised pavement markers on SR 120 in Paulding County, and SR 108 in Cherokee County. Work will proceed daily between the hours of 7:30 a.m. and 5:30 p.m., weather permitting.

Each day, hundreds of Georgia Department of Transportation employees and contractors work on dozens of highway, bridge and intersection improvements throughout the state. Their work often brings them and heavy machinery in close proximity to travel lanes. Fifty-seven Georgia DOT personnel and many more motorists, passengers and contractors' workers have been killed in highway work zone accidents since 1973. Please help us prevent these tragedies by slowing down; being especially attentive and cautious as you pass through construction work zones; and always driving responsibly. Safer Driving; Safer Work Zones for Everyone. The Georgia Department of Transportation continues its RoadWorks2012 construction program. As the end of summer and a new school year draw near, dozens of important roadway infrastructure improvement projects continue throughout the state. Keeping Georgia's transportation network the nation's finest requires continual investment and maintenance. Pardon us for this necessary inconvenience and please drive cautiously in work zones and safely at all times.
