ROADWAY SHOULDER WORK CONTINUES ON STATE ROUTE 142 IN PUTNAM COUNTY

WHEN: 7 a.m. to 4:30 p.m., Monday, April 9, continuing through Thursday, April 12, weather permitting

WHERE: State Route 142, mile marker 0-5.92

WHAT: Georgia DOT maintenance crews have scheduled to continue roadway shoulder work to reclaim right of way and roadway shoulder maintenance on State Route 142 in Putnam County. Work is tentatively scheduled between 7 a.m. and 4:30 p.m., weather permitting.

A single lane closure and/or flagman may be utilized for this work. Motorists should reduce their speed in these and all work zones.

Each day, hundreds of Georgia Department of Transportation employees and contractors work on dozens of highway, bridge and intersection improvements throughout the state. Their work often brings them and heavy machinery in close proximity to travel lanes. Fifty-seven Georgia DOT personnel and many more motorists, passengers and contractors' workers have been killed in highway work zone accidents since 1973. Please help us prevent these tragedies by slowing down; being especially attentive and cautious as you pass through construction work zones; and always driving responsibly. Safer Driving; Safer Work Zones; For Everyone.
