ROADWAY SHOULDER WORK SCHEDULED ON SR 83 IN MORGAN COUNTY

WHEN: 7:30 a.m. - 4 p.m., Monday, March 26, continuing through Thursday, March 29, weather permitting

WHERE: State Route 83 north bound, mile marker 13-26.31

State Route 83 south bound, mile marker 0-11

WHAT: Georgia DOT maintenance crews have scheduled shoulder work to reclaim right of way on State Route 83 in Morgan County. This work is tentatively scheduled daily between 7:30 a.m. to 4 p.m., weather permitting.

A single lane closure and/or flagman may be utilized for this work. Motorists should reduce their speed in these and all work zones.

Each day, hundreds of Georgia Department of Transportation employees and contractors work on dozens of highway, bridge and intersection improvements throughout the state. Their work often brings them and heavy machinery in close proximity to travel lanes. Fifty-seven Georgia DOT personnel and many more motorists, passengers and contractors' workers have been killed in highway work zone accidents since 1973. Please help us prevent these tragedies by slowing down; being especially attentive and cautious as you pass through construction work zones; and always driving responsibly. Safer Driving; Safer Work Zones; For Everyone.
