Worth County...

GEORGIA DOT SCHEDULES SHOULDER WORK ON S.R. 33 AND S.R. 313

WHEN: Beginning Monday, December 5 and continuing through Thursday, December 8.

WHERE: S.R. 33 and S.R. 313 in Worth County.

WHAT: Georgia DOT Area Wide Maintenance crews will be reworking the shoulder of the road on S.R. 33 and S.R. 313 in Worth County. This work is scheduled daily between 8 a.m. and 5 p.m., Monday, December 5 and continuing through Thursday, December 8. Motorists could encounter single lane closures during this work.

Each day, hundreds of Georgia Department of Transportation employees and contractors work on dozens of highway, bridge and intersection improvements throughout the state. Their work often brings them and heavy machinery in close proximity to travel lanes. Fifty-seven Georgia DOT personnel and many more motorists, passengers and contractors' workers have been killed in highway work zone accidents since 1973. Please help us prevent these tragedies by slowing down; being especially attentive and cautious as you pass through construction work zones; and always driving responsibly. Safer Driving; Safer Work Zones; For Everyone.
