Safe Routes to School Baldwin County project groundbreaking

WHAT: The Georgia Department of Transportation, in partnership with Georgia Safe Routes to School (SRTS), will hold a Baldwin County infrastructure project groundbreaking Wednesday, March 16 at Oak Hill Middle School.

Gregory Bridge Company was recently awarded the SRTS sidewalk project that will connect numerous Baldwin County schools on and around Blandy Road. The project to be completed by the end of 2016 also includes a pedestrian bridge adjacent to Blandy Road crossing Fishing Creek.

WHEN: Wednesday, March 16 from 10 a.m. to 11 a.m. This coincides with other Georgia Walk to School Day events.

WHERE: 356 Blandy Rd., Milledgeville, Ga.; Adjacent to the front parking lot of Oak Hill Middle School
