Traffic shifting Friday to new SR 68 section in Tennille

TENNILLE—McClendon Enterprises, Inc. will Friday morning shift traffic to the relocated state Route (SR) 68 roadway intersection with SR 15. As of 10 a.m. Friday, the old SR 15 intersection with SR 68 at the Citgo will be turned into a cul-de-sac with no thru-traffic allowed.

Leading up to the planned Friday opening of new construction, contractors will finalize the new turn lanes on SR 15 along with all signing and striping on both routes.

A traffic signal is included at the new intersection but will not be operational at this time.

Citizens can expect to see equipment and personnel finalizing this job. Whenever you approach a work zone: slow down; allow extra distance between vehicles; read signs; obey road crew flaggers; and expect the unexpected.
