## US 278 resurfacing resumes Sunday

- What:** The \$1.27 million resurfacing of US 278/State Route (SR) 12 from Access Road to Mill Street resumes major activity Sunday. Pittman Construction Company will start on the west end of the project near Interstate 20 and head eastbound. The traveling public should expect lane closures and delays during this time.
- When:** Sunday, Aug. 28 at 5 p.m.; planned daily work hours are Sundays through Thursdays from 5 p.m. to 6 a.m.
- Where:** Work begins between Interstate 20 and Industrial Boulevard in Covington, Ga.
- Why:** This route is in need of maintenance resurfacing. The project officially began in mid-May and has a February 28, 2017 completion date.
- Contractors have completed sidewalk ramps. Side roads and deceleration lanes that require patching will be finished first followed by the mainline. Only one lane will close at a given time when work is ongoing.
