## **Limited Construction-Related Lane Closures for Spring Break Weekend**

**ATLANTA** – Georgia Department of Transportation will limit construction-related lane closures for Spring Break to overnight hours. The restriction is implemented to offset increased holiday traffic. Please note that this does not include emergency lane closures that may be necessary during these weekends.

With the anticipated heavy traffic, Georgia DOT reminds drivers to plan ahead and be patient as they move through work zones. As always, motorists are encouraged to wear seatbelts, eliminate distractions behind the wheel, and plan their routes before getting on the road by calling 511 for real-time information on work status and traffic conditions.

Georgia DOT also advises motorists - in the event of a crash or breakdown - to never get out of the car on a freeway, unless your life is in imminent danger. Pull onto the nearest shoulder as far from the travel lanes as possible. Motorists traveling through Metro Atlanta can also call 511 to request HERO assistance in case of crash or 911 for medical emergency service anywhere in Georgia.

Planned work this weekend is as follows:

### **Northwest Corridor Express Lanes**

- **On I-75, one northbound and one southbound lane will close between Chastain Road and Wade Green Road from 8 p.m., Friday until 5 a.m., Saturday.**
- **On Hickory Grove Road, a flagging operation will take place between Shiloh Road and Hamby Road from 9 p.m., Friday until 5 a.m., Saturday.**
- **One lane will close on the I-575 southbound entrance ramp from Sixes Road from 9 p.m., Friday until 5 a.m., Saturday.**

- **On I-575, one northbound lane will close between Bells Ferry Road and SR 92/ Alabama Road from 9 p.m., Friday until 5 a.m., Saturday.**

### **South Metro Express Lanes**

- **On I-75, one northbound lane will close between SR 138/ Lake Spivey Parkway and Hudson Bridge Road from 9 p.m., Friday until 5 a.m., Saturday.**

### **I-20**

- **Two eastbound lanes will close between the I-285 interchange and SR 70/ Fulton Industrial Boulevard from 9 p.m., Saturday until 5 a.m., Sunday.**

Other Georgia DOT work and routine maintenance will necessitate various lane closures this weekend (as detailed in the attached spreadsheets); the Department also cautions that incident and emergency repair related closures may be necessary on any route at any time. As always, drive cautiously, courteously, undistracted and unimpaired.
